## Shade Options

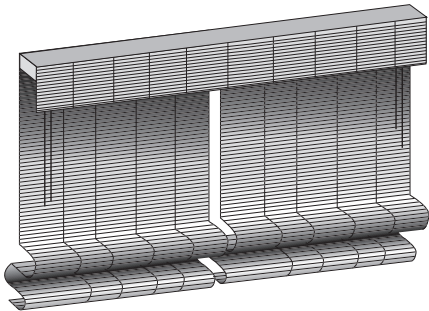

### Classic Roman

Hangs flat when lowered and waterfall folds behind the shade neatly and evenly when raised.

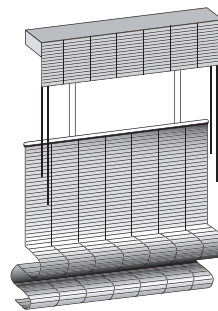

### Roman with Roller Clutch

Looks just like the Classic Roman, but it has a continuous cord mechanism for one easy control that locks automatically at the desired height.

### Two-on-One

Perfect for large windows, this style allows you to have two shades on the same headrail for independent control and more practicality.

### Top-Down / Bottom-Up

Versatile, this style is perfect for those places where privacy is needed while still preserving a clear view to the outside and allowing natural light into the room.

## Kensington Signature Finish

The Kensington Signature Finish options are fashionable and fun. These fabric tapes will add a more tailored and complete look to your Woven Wood shade and are available in Deluxe or Standard widths.

A designer's favorite, our Signature Finish is offered in fifteen different colors that will coordinate with your product look and overall décor.

## WOVEN WOOD LINER OPTIONS

Available in two opacity levels, Privacy Liner and Room Darkening, they all have a uniform white look to the outside. Offered in a total of six different options:

### Privacy Liners:

White  
Ivory

### Room Darkening Liners:

White  
Ivory  
Black  
Beige

DISCLAIMER: Woven Wood Shades are created from natural products such as reeds, bamboo, grasses, and wood that will age beautifully over time. It is possible that some patterns may grow slightly lighter or darker in color, depending on the fabric pattern. Variations in paint and stain, minor cracks, slight pattern irregularities and knots are all enhancements that add to the natural beauty and character of your shade.
